PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

Order No. 2350-9—L. B. 38-16-4, dated 17th October 1916.

Government observe that the provisions proposed by the Senior Surgeon for inclusion in the District Fund and Municipal budgets on account of Medical relief are sometimes modified by the local bodies without reference to that officer and that the Senior Surgeon thus has no opportunity of knowing if adequate provision is made by the local bodies for all the proposals approved of by him, till copies of the budgets as sanctioned by Government reach his office. To avoid the inconvenience resulting from existing practice, Government direct that a statement showing the allotments allowed on account of Medical relief in the draft budgets, together with an explanatory memo, giving reasons for alteration, be forwarded to the Senior Surgeon by the Deputy Commissioners concerned at the same time as the draft budgets are sent up to Government for sanction.

The Senior Surgeon will, within a fortnight of the receipt of the statement, intimate to Government whether the provisions are considered by him adequate and if not what additional amounts are absolutely necessary for expenditure during the year together with reasons explaining the necessity. While submitting the draft budgets to Government the Deputy Commissioners will state the date on which the statements relating to Medical relief were forwarded to the Senior Surgeon. Such statements need not in future be forwarded to the Comptroller as hitherto.
